He's told me to stay naked for when he comes home from work because he wants to fuck me hard again but I've got other ideas. These photos for a start. MOP & FUCK it

When my ex moved his stuff out, I booked a one-off blitz with a local cleaning firm. They sent a girl called Alex around, pretty, with blonde bobbed hair.

Even though I'm no prude, I couldn't believe how soon she started talking about sex. I asked whether she made a habit of coming on to her clients, but she ignored me and moved in for a kiss. I felt her mouth twitch as she allowed herself a smile, feeling how stiff my nipples were as she skimmed her hands over them. Then her hand eased in between my thighs.

We sank back onto the couch, undressing and groping at each other's tits. Alex got me on my back, splayed my legs and went down on my pussy, licking it hard and fast. My ex wasn't that much into eating me out – he only did it to get me to go down on him, really – so this was a whole new experience in more than the obvious way. Next thing I knew, I was cumming so hard I screamed.

Now Alex was asking me to lick her too. It was my very first taste of pussy, but I just kept at it and she didn't tell me to stop. Actually, she was moaning and wriggling over my face, which just spurred me on to lick her even harder.

Now I'm single, I want to explore my lezzie side a bit more now!

Castle Cock

The Cumbrian castle was deserted when we arrived and I quickly went through my repertoire of poses at different locations around the ruins.

Then hubby Phil asked me to strip naked apart from my suspender belt and stockings. It was then that I noticed two guys starting at me from a field just in front of the castle.

I panicked as I struggled to get my clothes back on and they got a real eyeful of my naked body before we fled.

Back in the hotel room Phil told me how turned on he had been with the guys seeing me nude and said he wished it had gone further. I must admit the thought appealed to me. We were so turned on we had a quickie in the shower.

After dinner we went into the hotel bar – I still wasn't wearing any underwear.

Suddenly I heard someone saying he didn't recognize me

with my clothes on. It was the guys who had spotted me earlier at the castle. I blushed but asked him to join us. He introduced himself as Dean and his friend Carl joined us once he had bought some drinks.

They were both at least 30 years younger than me and had fit looking bodies. The conversation soon turned to our photo hobby.

ONE FINGERED MY PUSSY WHILE MY HUBBY TOOK PHOTOS

Dean said he recognized me from an earlier appearance in *Escort* magazine that he had found at work. They were both very complimentary and I was that confident with the drink that I asked them if they would like to pose with me. I parted my legs to show my swollen juicy pussy and they were soon nodding in agreement.

Back in the room I had my stockings and suspenders on and a satin robe to cover my modesty. The guys were sat nervously drinking their beer and when they had finished their first bottle I asked: “Are you going to show me what you’ve got?”

They replied by standing up and stripping down to their boxers. Dean was really cocky and walked straight up to me and told me to pull his boxers down for him. So I knelt on the floor with my face directly in front of his bulge and I slowly pulled his pants down until his cock sprung out. As I ran my tongue around the end of it I felt it jerk and ooze out a little pre-cum, which I licked off whilst looking Dean in the eye.

I then stood up and stripped off my robe and took Carl’s cock in my mouth. Dean fingered my pussy from the rear while Phil took photos.

Soon I was very wet and ready for a good shagging so I got on the bed and Dean got on top of me and penetrated me with his hard cock. He started to fuck me hard and fast and I was oblivious to anyone else in the room as orgasms flood through my body until I felt Dean suddenly stiffen and flood my pussy with his hot cum.

Phil got between my legs and started to lick all the spunk out of me while Dean lobbed his fast shrinking cock in my mouth to suck clean.

Now I was ready for Carl’s big cock and this time I got on my hands and knees and he entered me from behind, very slowly till he was right up inside me, balls deep.

Dean’s cock had also recovered so I got him to kneel in front of my head and as Carl started to fuck my willing pussy, Dean fucked my mouth. They fucked me in unison while Phil flashed away with his camera.

Phil slid underneath me to watch Carl’s huge cock slam in and out of my pussy and play with my swollen clit.

While I bucked around orgasming, Carl suddenly started fucking me harder and emptied his balls deep inside me while Dean started to flood my mouth with his warm salty semen, which I savoured before swallowing. Both the guys were spent and left soon after.

Then I climbed up on top of Phil and we had a spunky 69 as he licked my swollen cunt clean while I sucked him off, letting him cum all over my face and in my mouth.

What a weekend away that was!

DEAR JULIA

Dear Julia

I had a cracking St Patrick's night, inspired by Zara and Kate in *Escort* vol 34 no 3. Wine and women left me with a sore head in the morning. And something else was pretty sore too!

Mike, Leeds.

Julia says: We bet it wasn't just Bailey's Irish cream that was flowing that night!

Dear Julia

I've just arranged for my husband and I to tour the sex clubs in the Far East and if the girls we meet are half as horny looking as Kristine (Flash on Camera, vol 34 no 2), Steve's cock will be working overtime. We both love the oriental look, men and women, and I can't wait to get all my fuck-holes filled, while watching my dirty hubby stick his big dick up the arse of a small framed Chinese woman. Two week, non-stop fucking. Would you like to come with us Julia?

Jo, Halifax.

East is best

Julia says: Two weeks of non-stop fucking? To me that's not a holiday, that's just a fortnight at the office!

Dear Julia

Of all the beautiful and lovely women in Escort magazine vol 34 no 2, Paige, you are so outstanding, your body shape is delightful and your arse is wonderful. Your sexy comment "I enjoy being passed around" caused my penis to grow gloriously and the thought of you caressing it helped me to imagine your beautiful naked body in my arms as I take you to the nearest bed. I adore you.

Daisy Blade and Mr B celebrate with an exclusive engagement get-together

I start this column with happy news: Mr B proposed to me and I said yes. Hurrah! There's been much joy, celebration and champagne corks popped. However, there was one celebration for which we asked for the company of just one friend in particular.

A while back, I discovered that Mr B fantasises about watching me eat pussy. After he proposed, I decided to make his fantasy a reality. It was to be a token of my commitment to his pleasure and happiness.

The girl I had in mind, Harley, was a friend from uni. Back in our student days we'd kissed and I'd fumbled with her tits after a few too many beers in the SU. She'd since come out as bisexual and admitted to having a crush on me. I knew she'd be up for my special celebration.

Last Friday, she came to stay. I only told Mr B she was coming to share a bottle of wine and congratulate us on our engagement. It didn't take long for the wine to start flowing and my confidence to kick in. I started stroking Harley's thighs with my fingertips. Mr B shot me mischievous glances.

After the three of us polished off a bottle of wine, Harley suggested heading upstairs and we finally made our intentions clear to my fiancé. Harley undressed and Mr B could barely take his eyes off her pert ass and D-cup tits as I said: "I wanted to show you how much your pleasure means to me, which is why Harley has agreed to play with us tonight. Problem is, I've never eaten pussy before, so you're going to have to teach me how," I explained, with wide-eyed innocence.

He took to his role as teacher with enthusiasm. "First, you need to spread her legs really wide," he informed me. Lying Harley down, I pushed her knees apart, exposing her neatly trimmed cunt. "Next, you need to take your thumb and forefinger and spread her lips like this, so you can get to her clit." I repeated the action. "Now lick from slit to clit really slowly." I did as I was told, watching Harley's reaction the whole time. Her moans suggested I was doing it right.

Mr B proceeded to show me how to lick and suck her clit and then I would copy his actions. It wasn't long before both of our mouths were running over her hot, wet pussy: he worked her snatch with his tongue, while I took care of her clit. Every now and then he'd kiss me so I could taste Harley on his lips.

I was getting seriously wet and my own cunt was gagging for some attention. I asked Mr B if I was being a good student. Apparently I was top of the pussy-eating class and deserved a treat.

Taking two of my fingers, he pushed them deep inside Harley, telling me to keep them there. Mr B moved behind me and lifted my hips. The head of his cock nudged at my entrance and he slid in with ease, grabbing my hips and really driving deep which caused my fingers to plunge deeper into Harley. I started to make a come-hither motion with my fingers and feel around for her G-spot. As I felt my own orgasm rising I kept finger-fucking Harley, and moaning against her sensitive clit, determined to make her cum too.

We went at it like this – Mr B fucking me, me fucking Harley with my tongue and fingers – for ages, all working ourselves to orgasm. Mr B was still very much in charge. His thrusting dictated my rhythm on Harley, but it wasn't long before I felt Harley's pussy clamp around my fingers, which set me off. I looked back at Mr B, Harley's juices dripping down my chin and her spent on the bed. We were like two rag dolls, a scene he enjoyed, and allowed him to keep going until he was ready to fill my cunt with cum.

What I'll get him for a wedding present is yet to be decided!

BONKING BRITAIN

A TITILLATING TOUR AROUND BLIGHTY. THIS MONTH ESCORT VISITS...

BRIGHTON

Bold, brassy Brighton has long been attracting those who are keen to indulge in pleasures of the flesh. No wonder it was used as the setting for a hot new e-book serial titled Blue Mondays, with sexy liaisons happening all over town (BlueMondaysBook.com). It's also home to two of the UK's hottest porn stars: Daisy Rock and Lucy Love, but what keeps them there? We think we know...

SEXY SIGHTSEEING

A trip to Brighton wouldn't be complete without spending time on the beach, but there's only one worth visiting. A short walk from Brighton Pier, towards the marina, guarded by shingle and marked out with a boundary sign is Cliff Bathing Beach, a hot-spot for naturists. It gets a thumbs up from nudists because of how central it is, so if you want to feel the salty-fresh sea air against your skin – all of your skin – then this is the place to go.

For a touch of culture with your coitus (yes, Brighton does have it), visit the city between 3rd May and 1st June and snap some tickets up for the Brighton Fringe Festival (BrightonFringe.org). Naturally, we're only interested in the shows with a sexier edge, such as Jonny Awsum's Sexy Noises, a musical show recounting all of the sex noise he's heard through Travelodge walls or Cabaret Burlesque for some tits and striptease.

Brighton is also home to the artist that created The Great Wall Of Vagina, Jamie McCartney. Although the GWOV isn't currently on display, Jamie does offer a body casting service (BrightonBodyCasting.com). So if you want a memento of your naughty weekend, you can get your own tits, pussy or prick immortalised in plaster, or even bronze! Prices start from £150, but the looks it'll get when it's put on your mantelpiece will be worth much more!

SEX 'N' SHOPPING

Stock up your pleasure chest supplies by heading to Taboo on Surrey Street, described by the Guardian as the "Dolce & Gabanna of sex shops". Expect high-end and fancy fuck-toys including Lelo vibrators, or for the more adventurous, the ElectraStim range. It's also a favourite with our Elise: "As a punishment for cancelling an appointment, I made a client go to Taboo and buy a gag dildo to use on me!"

GET A ROOM

If you're not planning on going out very much then the Brighton Dungeon-On-Sea (BrightonKinkyBnB.co.uk) is the place to stay. Although it's called 'a dungeon' and is furnished with an isolation cell, ropes, a pet cage and a bondage bench, you don't have to be a huge fan of BDSM or a pro-dom to enjoy this luxury self-contained studio. The double bed, large shower room and multiple couches means there's plenty of space should you want to invite extra friends over for a very intimate evening. It's perfectly suited for a range of sexy experimentation and fun. Hire it for a few hours or a single night at £180 including breakfast.

PARTY IN YOUR PANTS

There's adult fun to suit every taste in Brighton. One of the largest naturist spas in the city is the Bristol Gardens Health Spa, known for its luxurious steam rooms, saunas and jacuzzi. No bathing suits required and towels provided, the BGHS aims to offer a Roman bath experience allowing adults to escape the stresses of day-to-day life, share a romantic experience with their partner, or use it as a place to meet new friends. "I love it when clients offer to take me to BGHS; it can certainly get raunchy in there," divulges Elise. There are different times open for singles and male and female only couples time.

For those that like to look at the ladies, there's a fully-nude lap dance club, Grace Gentleman's Club on North Street. If you prefer something kinkier there are fetish dress-up and fun nights at Club Spank (SpankBrighton.co.uk), complete with playroom decked with furniture for spanking and sensory play.

REAL WIFE SEX

Jessica, Kent

Tan fan Jessica gets even more cream rubbed into her after her hols...

BROWNED GIRL TA

This winter I spent a fortnight in Jamaica to top up my tan – and found out there was a nude beach near my hotel. I felt so horny, just lying there sipping cold drinks and sunning every inch of my body. I got a little bit nervous at first, but soon it felt totally natural.

I didn't do any shagging – didn't really go there for that. But when I got back to the UK, I had blokes swarming all over me. One night I was out clubbing when this guy – a big, rugged-looking lad called Neil – started eyeing me up. When I caught him at it, he just told me straight out how fantastic I looked and asked had I been abroad.

As we chatted, I teased him, telling him how I'd had to put sun cream everywhere, especially on my private parts. I joked about it, saying how I didn't want to burn my nipples and other bits, letting him imagine how I looked smearing creamy white goo into my tits, arse and mound.

The thing is, he didn't really believe I'd got a natural, all-over tan. So I went home with him so he could inspect it for tell-tale marks and joins! He took his time, stripping me down to my fresh white underwear, just enjoying the look of me in it. Then he took my bra off, sucking on my darkened nipples before kissing his way down to my stomach. He nipped my belly-button ring with his teeth, pulling on it, then used them to get my undies down. "See? All natural."

I said if I lay back and shut my eyes, I could almost be on the beach again, with the breeze ruffling my pubes. Next thing I knew, he was blowing on them, making me giggle – and then I gasped as he slipped a hand in between my legs, cupping me with his palm.

His hand felt warm and strong,

The ache built up inside me as I felt his breath on my mound

squeezing my pussy lips together around my clit, gently rubbing them up against it. I felt myself juice up – couldn't have stopped it – and saw a smile spread over Neil's face as he felt the wetness leak out too. Then, suddenly again, he bent his middle finger, sticking it up inside my hole. It was only penetrating me a couple of inches, but the way he was moving it got me so horny – then his thumb was on my clit, rolling it around…

I felt this ache build up inside me, and Neil's hot breath still on my mound – his face was that close to my crotch. I wanted to grab the back of his hair and yank his mouth right onto my pussy, but I guessed that was coming too, if I waited.

KES IT IN THE RING!

Now his fingers were parting my lips and he just flicked his tongue against my slit, hands caressing my naked arse as he tried to lick in as deep as he could. I closed my eyes, so I could concentrate on the feelings, but that made me a

Happy Easter

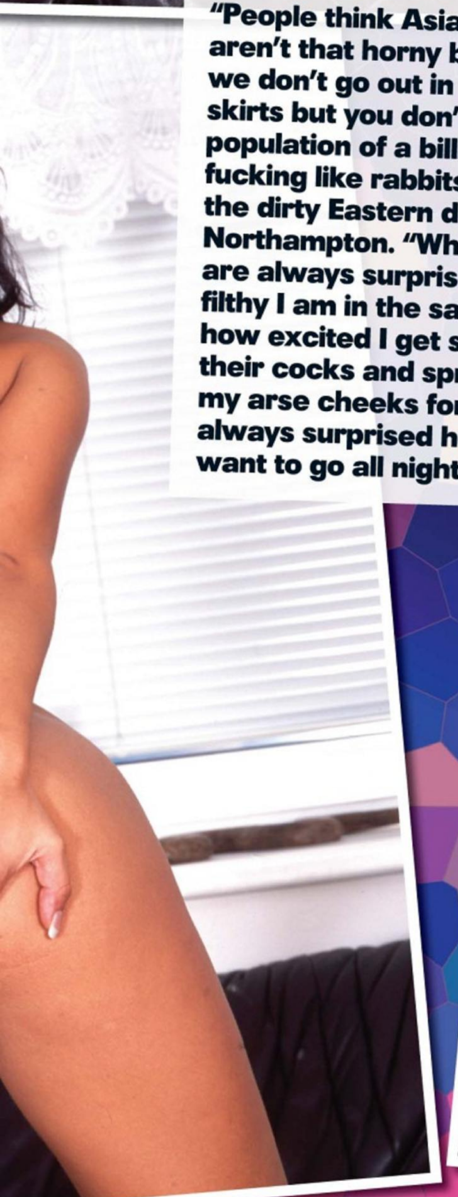
Polly will be filling herself with chocolate this Easter weekend, but not in the six Toblerone fashion the editor indulges in. "My boyfriend is a very hot black guy who's taking me on a dirty weekend. Our sex life is usually pretty crazy anyway, so God knows what that's going to entail. I'm taking my bunny costume, plenty of lube and he says he's bringing a surprise. I hope it's one of his mates, I'm a real cockaholic!"

VISHNA

"People think Asian girls aren't that horny because we don't go out in mini-skirts but you don't get a population of a billion without fucking like rabbits!" grins the dirty Eastern delight from Northampton. "White men are always surprised at how filthy I am in the sack and how excited I get sucking on their cocks and spreading my arse cheeks for them. I'm always surprised how they want to go all night with me!"



Rebecca

Colour-blind readers may not realise that Rebecca has just been on a winter sun getaway. She didn't have the guts to get her noony out round the hotel pool – at least not in the daytime. Football fuck-us

My husband is as dirty as me, and I'm a horny bitch! From time to time we like to tempt others into our dirty fun.

This particular night one of my husband's mates was round having a beer and watching the football.

As I was feeling rather randy I decided to try my luck. I left the pair of them on the sofa completely unaware of what they were about to get and slipped upstairs.

I'm a woman who loves to dress up, so putting on one of my favourite slutty outfits and slipping an old dressing gown on over it, I went back downstairs.

Winking at my husband, I sat down opposite them both making sure that my robe fell open enough to reveal the lace of my stocking tops.

I could see my husband's mate looking over so I opened my legs slightly, making sure he got a good glimpse of my shaven wet pussy enclosed in crotchless knickers.

My husband was smiling at me as he knew exactly what I was up to and his mate couldn't take his eyes away from between my legs. I decided to give my husband a little show, so I stood up letting my robe fall to the floor, revealing my sexy lingerie. I walked over to his mate, dropped on to my knees undid his jeans and pulled out his semi-hard cock.

Knowing how my husband loves to watch me with other men, I began licking his mate's cock and balls all over. Then, taking his shaft I began wanking his fully hard dick, sucking vigorously on the head of his cock and tasting his salty pre-cum.

Just then my husband came over and shoved his big hard dick in my face. So, grabbing it and with a cock in each hand, I gave them the wank of their lives, sucking one dick then the other, hard and fast.

My husband stood up and as I was sucking down on his mate's dick like my life depended on it. I felt my man slam his big hard helmet straight into my soaking wet pussy.

So there I was being fucked from behind by my husband and fucked in the mouth by his mate. I was loving it.

Reaching down, I started playing with my clit. As I got more and more aroused I sucked harder and faster on the big throbbing prick in my mouth, while loving the feeling of a huge hard dick slamming

between my thighs, deep into my warm pussy.

Pretty soon I was starting to climax and came all over my husband's hard cock still thrusting inside me.

I stood up and, turning round, I sank my dripping wet pussy straight around his mate's dick. I started riding his fat cock hard and fast, grinding my hips down until he was balls deep inside my pussy.

He reached round and started roughly playing with my huge tits, making my nipples hard and throbbing.

My husband, seeing this, slipped his dripping wet cock from my pussy straight between my big tits and began fucking them.

As he squeezed my big juicy tits around his prick, I reached down and started playing with his balls while riding his mate hard and fast and loving the feeling of his hard meat slipping in and out of my shaven pussy.

Soon he exploded, shooting his hot creamy load up me, just as I was taking my husband's cock in my mouth and exploring his fat helmet with my tongue, hungry for his salty load.

He did not disappoint and within seconds started to unload in my mouth, pulling out just enough to watch his hot seed drip down onto my hard erect nipples.

Needless to say from now on while most women dread football on the TV, it's the highlight of my week!

Nikki, London.

It's like their eyes burn right into my pussy and get it all hot and wet," sighs Perri. "I masturbate for my boyfriend all the time like I am for you, but he doesn't need 'FUCK ME' painted on my pussy. I thought you looked like you needed showing where it was!" Cheeky!

The only Stella that sets our pulse racing more than a pint of the golden fizzy stuff. And like lager, this Stella, from Berkshire, goes down a treat. "I've started sucking random cocks and filming them on my phone – anyone I bump into really. Last week there was an old chap I met in Tesco and brought back who said he hadn't been sucked off for twenty years. It felt like I got twenty years' worth down my throat. Then two lads I met down the pub. I filmed them wanking then got them to hold the phone while I sucked the spunk out of both of them in the lavatory!"

Snappy snatch

I FUCKED HER TILL HER TITS WERE A PUDDLE

I work in a print shop and someone handed in a memory card they'd found by the self-service photo-prints machine. It was unclaimed after a week, so I took it home to see if I recognised a "regular" I could hand it back to.

Some were just boring family snaps, but there were a lot of pictures of a girl of about 20. Sort of cheeky, girl-next-door looking, and a bit of a tarty dresser. And all semi–naked shots!

It got my cock hard anyway. I picked out some of the best, dirtiest shots and wanked off over them.

I looked out for her in the shop, and in the end, she turned up – I recognised her sexy figure and tarty dress sense right away.

I called her over discreetly, and handed her the card. She blushed a bit – it was obvious that I'd looked at it if I knew it was hers. Then she said, "Did you like my pictures, then?" My turn to go red.

Her name was Katy and we ended up on a date. The photos had been taken by an ex, but she'd nicked the card out of his camera when they'd split up. We headed back to her place, where I got to recreate a few of the shots. One of my favourites was Katy in a punky vest top and denim mini, both pulled up to expose her tits and fanny.

I just stood over her, wanking, asking her to pull herself wide open for me to see – she told me she'd need more persuading than that. I got in between her legs and started jacking my dick about four inches from her hole, so she splayed her lips, inviting me inside. Of course that was way too much temptation – I just leaned forward and thrust my prick right up her.

That seemed to drive her mad – she started clawing at my back, legs hooked over mine so there was no way I could pull out. I put all my weight into it, spreading her out underneath me, my arse moving like a piston in between her open legs.

She was wriggling, screaming, moving her hips so her clit was getting mashed between our crotches. Then she started cumming, face buried in my shoulder as she yelled out loud. I pulled out and slapped my sodden cock in between her tits. I shoved them hard together, rough palms scratching over her soft skin, and fucked as hard as I could until she was one big puddle of cum. "That's one for the album," I told her.

She laughed at that, and wasn't sure about posing for pictures again at first. But as you can see I've talked her round now – what I really want is a shot of her poised to suck me off, then a few of her actually doing it.

Damien, Leics.

MANCS FOR THE MAMMARIES

Derby day in Manchester and who does Bonnie cheer on? Not the reds or the blues on that particular Saturday – she's more likely to be rudely encouraging her boyfriend and his mates to bang her into the middle of next week. "My fella used to watch matches religiously. But now I provide his entertainment for him and his mates. It's end to end stuff, believe me," she winks. "And it takes a lot to drag a Manc away from the game so I must be good!"

“Watch me play with my fella’s mates’ cocks!”

REAL WIFE SEX

bit dizzy. So I asked could we lie down instead.

I got on the bed, on my back, knees pulled right up to my chest. This time his thumbs were pulling my cunt open, one finger teasing my arsehole as well. He started to tongue me, down to the root inside my cunt, and as I played with my own clit, I started juicing down his throat.

He licked me to an orgasm, just for a warm-up. As I lay there in a haze, pussy still pulsing, he stripped off – and the size of his cock soon brought me back to reality. He laid down next to me and as we snogged I grabbed myself a nice big handful of it. It was jerking and throbbing in my grasp, the tip of it wet with pre-cum by the time I backed down to it.

I wanted to suck him but the idea of him up my cunt was too tempting. I swung my leg over and stuck him up me, gripping him hard from the word go.

I fucked him full-on, pinning down his shoulders with my hands, so my tits were swinging and slapping together right in his face. And I raised my arse a little so he could thrust upwards as I slammed down. His

tongue was in my mouth and then he moved his hips, pushing me just a bit further upwards so he could suck my boobs. He took a nipple in his mouth, sucking and nipping it.

A little bit harder and it would have hurt, but this was pure pleasure, every bite making my pussy contract even more. And then he slid a hand in between our bodies and started to caress my clit. I squealed with pleasure, grinding up against it, and he just kept on rubbing till my inner muscles rippled around his shaft.

“Like that, do you?” he said and I could only whimper yes.

All of a sudden, he rolled us both over, so I was back under him again. He asked me to pull my legs up, like I’d done for my licking, and I knew why – his cock speared into me so deep I felt his pubes tickling my clit and his bollocks against my arse.

His mouth was mauling my nipples, making me cum all over again, and now he had me weighed down, all I could do was surrender myself totally. In between gasps and moans I begged him to cum on me, because I wanted to see how his spunk looked up against my tan.

My tits slapped together right in his face

He pulled out and had me kneel up, fondling my boobs. Now he started to wank himself, pulling, rubbing and then slapping his thick purple-ended prick against my tits. My nipples were sore from all the sucking and when he spanked them with his cock head, they tingled. I had three fingers up my cunt but held off cumming, so I’d get a view of him blowing his load.

It seemed like everything went still and quiet beforehand, then suddenly his spunk blasted out. It splattered in little beads, then sticky blobs, and looked so white up against my skin. I just played with it a bit, then asked Neil if he fancied a shower with me. Just so he could satisfy himself that my tan wasn’t the wash-off type…

Dancing Cream

I think for a second my boyfriend thought I was taking him out to a club, when I said I was going to treat him to a lap dance – but I'd been practising in his absence!

Sexy lingerie usually does the trick for Len – I've danced for him a few times and often don't even reach the end of the song before he's got my knickers down or pulled sideways, and his cock rammed up my cunt.

I bet him a sucking to a licking he wouldn't be able to hold back for three tracks. I'd sat him in a chair with armrests, and I tied his arms to them with ribbons – not tightly, but tight enough that he would just have to sit there and watch. I could touch him but he couldn't touch me.

I left my bra and knickers on until the first chorus, then slipped them off. The sight of my naked arse and pussy, framed by my suspender belt, would soon have him lusting after me! And my heels gave me an extra wiggle.

I shoved my tits together and held them so my nipples were within licking distance of his mouth. He wet his lips, then shut his eyes, swallowing hard, already tempted. But he wasn't going to miss the show totally, and when he looked again I was bent over with my arse and pussy inches from his face, my cheeks pulled open.

This was getting me all excited too, and he knew it. I said, "Fuck the bet, just stick it to me now!" But he sussed this was a test which, unfortunately, he passed! He told me to shut up, his mouth so close I felt his hot breath against my wet hole.

That just gave me an idea – I bent right down, so my mouth was probably less than an inch away from

Spice up your wife

I HAD A FIRST CLASS VIEW OF MY WIFE'S FUCK

My missus Angel is 45 years old, but has the body a women half her age would be proud of!

We'd often fantasised about things in bed to spice up our sex lives, but I never imagined for a minute that one of them would come true.

She was going out with a girlfriend one Saturday night and as luck would have it the kids were away for the weekend.

So after I watched her go out wearing the shortest dress and killer heels (I swear you could nearly see her arse cheeks when she walked), I settled down to a beer and a movie.

I texted her after midnight to see how her night was going and got an order to sit in the conservatory with the lights off and not to come out.

My cock was aching by the time I heard the front door open.As I sat there in the dark, my cock just about exploded when she strolled in hand in hand with some guy who looked 25!

She looked sassily over in my direction and gave me a wink, then started French kissing him. He couldn't keep his hands off her and it wasn't long before he pushed her G-string to the side and started playing with her clit.

She was clearly enjoying it. I could tell because his fingers were very wet when he slipped them out of her pussy.

She unzipped his flies and out sprang a big brick-hard cock. She got down on her knees so she could suck it.

She whispered something to him and then proceeded to bend over the mantelpiece with her legs spread wide apart and yelped: "Fuck me hard!"

Again he pushed her now sodden G-string to the side

his dick, which was stiff and welling up at the tip. Then I talked dirty, saying how much I needed a fuck, spitting out the words so he felt as much as heard them.

I won. He tore off the ribbons, grabbed me by my wrists, and pulled me to him, kissing me hard before pulling me down onto his cock – although it took me a couple of bounces to get him properly inside me! But now that he was in, he banged me as deep as his prick could go. I carried on moving to the music, gyrating my hips until I felt him buck underneath me, followed by a hot rush of thick spunk into my hole.

When I was back to myself again, I stood up and straddled his crotch, letting the mess drip out of me and all over his dick and balls. I told him he was a big loser – well, a big-cocked loser – and he said he wasn't too sure he'd actually lost. If he'd won the bet, he'd just have got a grudging blowjob, and now he'd got a fuck and the right to eat my pussy! He's not as daft as he looks!

Lizzie, Staffs.

and slowly slid his giant cock all the way in up to the hilt, gradually speeding his pumps up until Angel shouted that she was cumming hard.

He kept fucking her like this for 20 minutes and I lost count of the number of orgasms she had.

Then she told him to sit on the couch, again a place where I had a first class view of everything.

She started wanking him and then took his cock in her mouth until he said he was coming and then proceeded to soak Angel in a shower of jizz.

Ten minutes later he was gone and Angel motioned me to follow her upstairs. We didn't get much sleep that night.

I wonder what fantasy will get ticked off our list next.

I LET HIS BEST MATE FUCK ME IN THE BUM

I don't even like my fiancé's best mate, but I can't get enough of his cock. It kicked off when he pulled over to offer me a lift – normally I wouldn't even have accepted that offer, but it was cold and rainy. I won't bore you with how one thing led to another, but it ended up with Phil parked outside my front door, fingering me till I was cumming all over his hand. I was shit-scared afterwards, thinking he'd use it against me, but he actually rang me later, begging me to keep schtum.

It's been going on a few months now, and getting riskier all the time. For all we don't want to get found out – well I really don't – we push our luck. Like Phil has a thing about screwing me in the "marital" bed.

One day he called round, mid-afternoon, knowing my bloke would be at work for a couple of hours yet. "Upstairs…" he said, after a quick snog. "What if he comes home early?" I said, knowing how lame it sounded, especially as I was slipping out of my knickers at the time. I let Phil look at me naked, then laid back on the bed. But he just said, "On all fours, I think."

"Lube?" he said, and I pointed to the bedside drawer, shivering with anticipation as he squeezed a big, cold load of it on my arsehole. He warmed it up with his fingers, working it in, and I heard the squelchy noise of him rubbing more of it on his prick. Then – point of no return – he started pushing his helmet up against my arse, slowly prising it open.

I shivered again, little shocks going off all through me. I'd never even done much anal with my fiancé, and now I was letting his best mate fuck me up the back door. "You fucking love this, don't you? First time I saw you, I knew you'd love a hard prick ramming up that uptight arse of yours… " he said.

I tightened my arse muscles around him, frigged my clit and felt his hot jizz spray up me. It can't go on, I'm getting married soon, but how can I end it? It just feels too good!
